

Program
for the High School

SENIOR DAY

NORTHWESTERN STATE COLLEGE

March 21, 1941 Herod Hall Auditorium

Dear Senior:

The program for today has been planned with the sole purpose of interesting and entertaining you. We hope that you like it and that you like this college enough to return next September.

Because you may not realize what a treat Lew Sarett's part of the program will be, we call your attention especially to his number this afternoon. You will always remember him, we assure you.

When your day here closes and you are ready to leave, we shall want to say, "Thank you for coming. Please come again."

Cordially yours,

Chester O. Newlun, President
